

To our valued customers:

During this time of uncertainty with the emergence of COVID-19, Morgan Fuels is looking for ways to help prevent the spread.

- Fuel and lubricants can be ordered by telephone to minimize contact.
- Payments can be made electronically (i.e. online banking, email money transfer or a preauthorized credit card are some options) rather than paying in person.
- We support the recommendation of maintaining at least 1 metre distance between people.
- Non-essential face to face meetings shall be postponed or redirected to telephone or other avenues.

Our product supply continues to be strong and we do not anticipate any issues at this time.

If you have any questions, please call your local Morgan Fuels' office:
